

Your **all-in-one eCommerce Solution** that takes care of the whole path to purchase from **discovery to delivery.**

Discovery

Get discovered through **exclusive partner placements**. Go **omnichannel** and be present on all digital touchpoints. Meet your customers whenever and however they choose to shop- from your own website, your branded app, or on GLife.

Promo Codes

SMS Broadcast

Engage a targeted customer segment

Decision

Push customer purchase with the right **engagement tools** and give your customers a seamless shopping experience with **convenient ways to pay**.

Delivery

Easily fulfill last-mile delivery by mobilizing your **in-house delivery** team, or by activating fully-integrated **third-party logistics (3PLs) partners**.
